HARDY PERENNIALS

GROWN AND COLLECTED BY

J. M. BASSETT

HAMMONTON, N. J.

TAKE PLEASURE in presenting herewith my Trade List of Collected Native Plants of New Jersey.

In collecting these plants and shrubs, I give careful personal attention to each order and take great pains to secure good stock—only such as will grow under average conditions.

In making up this list I have eliminated many items that do not take kindly to transplanting.
